Seer of Souls

Series: The Spirit Shield Saga (Book 1)

by Susan Darlene Faw

About the Book

Twins Cayden and Avery Tiernan have grown up in isolation on the fringe of the realm. Gifted with forbidden skills, they hide their growing magical powers. Ancient prophecies speak of the ones with the power to depose the queen. To protect her throne, Queen Alcina scours the land for evidence of magic, while the darker force she serves threatens the land with chaos.

About the Author

Susan's love of stories began before she could read or write. Her earliest childhood memories include telling an epic story inspired by a random picture. Susan loves to bring new worlds and fantasy adventures to young adults and inspire them to join her on her make believe journeys. **Winner of the Dante Rossetti Grand Prize for Best Young Adult Fiction of 2016** (Seer of Souls, Chanticleer Reviews) she is actively crafting stories that sing in your memory.
